

**10<sup>TH</sup> JUBILEE CONFERENCE OF  
BALKAN PHYSICAL UNION - BPU 10,  
26 – 30 AUGUST 2018, SOFIA, BULGARIA**

**Conference venue: IEC Sofia**

**ALL WELCOME !**

**COMMITTEES:**

- |                                      |                                 |
|--------------------------------------|---------------------------------|
| • International Organizing Committee | President Alexander Petrov      |
| • International Advisory Committee   | Chairman Goran Djordjevic       |
| • Local Organizing Committee         | Chairlady Ekaterina Batchvarova |
| • Scientific Committee               | Chairman Nikolay Tonchev        |

**The 10<sup>th</sup> Jubilee Conference of Balkan Physical Union (BPU10, 26 – 30 August 2018, Sofia, Bulgaria) is organized by BPU (President A G Petrov) and hosted by the Union of Physicists in Bulgaria (President A G Petrov). Traditionally, it is an International General Physics Conference, open for participants from all over the world. You are most welcome!**

## **TOPICS:**

- 01- Nuclear Physics and Nuclear Energy. ELI-NP
- 02- Astronomy and Astrophysics
- 03- Gravitation and Cosmology
- 04- Atomic and Molecular Physics
- 05- High Energy Physics
- 06- Condensed Matter Physics & Statistical Physics
- 07- Optics and Lasers
- 08- Plasma and Gas-Discharge Physics
- 09- Theoretical and Mathematical Physics
- 10- Computational Physics
- 11- Meteorology and Geophysics
- 12- Environmental Physics
- 13- Alternative Sources of Energy
- 14- Econophysics
- 15- Applied Physics
- 16- Biophysics and Medical Physics
- 17- Physics Education
- 18- History and Philosophy of Physics
- 19- Metrology and Instrumentation
